

PA Incentive Reward Scheme

Welcome to the Individual Restaurant Company's PA Incentive Reward Scheme.

We feel it is important to reward PA's who make regular bookings with us on behalf of their Managers or Organisations but don't always get to experience the restaurant for themselves.

Our Incentive Scheme rewards you with Club Individual points. Club Individual is our new loyalty reward card that allows you to accrue points each time you visit our restaurants, which can then be redeemed against your bill.

Each time you make a reservation on behalf of your Manager or Organisation, we will add the points from the value of their bill onto your card. That way, you are rewarded each time you place a booking with us. We will also assign the same points to your Manager or Organisation at the time of dining, so they too benefit from Club Individual.

Please complete the form below and return to us, so you can join the club and start gaining points immediately. We will issue your Club Individual card and keep at Reception so that each time you make a booking with us, we can add the appropriate points. We will keep you informed at all times on the value of your points.
